

An environmentally friendly process that offers a wide range of decorative, functional colors for use on glass markerboards, walls, and metal frames.

BENEFITS OF POWDER COATING

- More durable than baked enamels
- Delivers a brighter, smoother and cleaner finish
- Environmentally friendly, produces less hazardous waste than conventional liquid coatings
- Color choices are virtually unlimited with custom color matching

Colors are reproduced with reasonable accuracy in standard Gloss finish unless noted Matte.
If match is critical, contact us at 800-434-4610 for actual samples

Standard Color Selections for Glass

Claridge offers virtually unlimited design options with powder coat colors available for magnetic glass markerboards and glass marker walls. Select from the 10 standard colors shown below, or choose from the over 180 optional colors inside. Custom match colors are also available.

Standard Color Selections for Aluminum

Claridge offers the durability and brilliance of powder coat finishes for aluminum framed boards, mobile markerboards cases, display cabinets and virtually any product offered with a metal or extruded aluminum component. Choose from any of the 24 standard colors shown below, or select from more than a 180 optional powder coat color examples inside – including textured and transparent finish choices.

Colors are reproduced with reasonable accuracy in standard Gloss finish unless noted Matte. If match is critical, contact us at 800-434-4610 for actual samples.
